OUR AGREEMENT

This **policy** wording, together with the **schedule** and any other documents **we** send to **you** forms **your** contract with **us**.

HOW THIS POLICY WORKS

Your policy is made up of several sections.

It is important to understand the type of cover you have purchased and how the limits apply. Not every financial loss caused by a cyber event is covered under the policy. The type of losses covered are set out in Sections A, B and C. Optional covers may also be agreed, as set out in Section D.

Section A – losses to your business responds to a **cyber event** in **your business** and covers reasonable costs to bring **your business** back to the condition it was immediately before the **cyber event**. These costs are called **impact on business costs**.

Section B – loss to others covers the **loss you** are legally liable to pay to others because of a **cyber event** in **your business** or because the **data you** hold or manage gets into the wrong hands. The **policy** also pays the costs reasonably incurred by **you** to manage and prevent **loss**.

Section C – cyber event response costs sets out the **cyber event response costs** that **we** pay in responding to a **cyber event**.

Section D - Optional Covers

There are three (3) Optional Covers. There is an additional **premium** payable by **you** to **us** for each optional cover. **Your schedule** will list the Optional Covers chosen by **you** that **we** have agreed to provide. The **limit** and **excess** for each optional cover will be stated in **your schedule**.

Section E – What certain words means explains the meaning of defined words used in the **policy**. These words may be used in one or more sections of the **policy**. The meaning of the words "**cyber event**" is also explained.

Section F – Exclusions sets out what the **policy** does not cover. These are the **policy's** exclusions.

*Note: This **policy** does not cover breakdown of **your** equipment or **IT infrastructure**. **Claims** arising from the rendering or failure to render professional services, or from acting in the capacity as a director or officer, are not covered. This **policy** is not a substitute for fidelity or comprehensive crime insurance. **You** should speak to **your** insurance broker about what this **policy** covers and what other insurance covers **you** need.*

Section G – Claims Conditions explains what **you** must do if there is a **cyber event**.

Section H - General Conditions which **you** have to comply with under this **policy**.

CLAIMS MADE NOTICE

Section B – loss to others of this **policy** is issued on a ‘claims made and notified’ basis. This means that responds to:

- a. **claims** first made against **you** during the **policy period** and notified to **us** during the **policy period**, provided that **you** were not aware at any time prior to the commencement of the **policy** of circumstances which would have put a reasonable person in **your** position on notice that a **claim** may be made against **you**; and:
- b. written notification of facts pursuant to Section 40(3) of the *Insurance Contracts Act 1984* (Cth). Effectively, the facts that **you** may decide to notify are those which might give rise to a **claim** against **you** even if a **claim** has not yet been made against **you**. Such notification must be given as soon as reasonably practicable after **you** become aware of the facts and prior to the expiry of the **policy period**. If **you** give written notification of facts the **policy** will respond even though a **claim** arising from those facts is not made against **you** until after the **policy** has expired. When the **policy period** expires, no new notification of facts can be made to **us** on the expired **policy** for a **cyber event** first discovered **or identified** by **you** during the **policy period**.

YOUR DUTY OF DISCLOSURE

Before **you** enter into an insurance contract, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance **policy**.

You do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for; or
- is common knowledge; or
- **we** know or should know as an insurer; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your policy** or reduce the amount **we** will pay **you** if **you** make a claim, or both

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the **policy** as if it never existed.

YOUR ‘COOLING OFF’ RIGHTS

You can return **your policy** to **us** within 14 days of its commencement or renewal, which is stated on **your schedule**. If **we** receive **your** written request to cancel this **policy** within the 14 day period, **we** will cancel the **policy** effective from the commencement or renewal date and give **you** a full refund. **You** cannot use this right where, before the 14 day period ends, **you** have exercised any of **your** rights or powers under the **policy** (e.g. **you** have made a claim).

After the cooling off period ends **you** still have cancellation rights under the **policy** (see **our** General Conditions).
